"For behold, in those days and at that time, when I bring back the captives of Judah and Jerusalem, I will also gather all nations, and bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; They have also divided up My land. They have cast lots for My people, have given a boy as payment for a harlot, and sold a girl for wine, that they may drink." (Joel 3:1-3)

Prayer for Israel

1. Pray that Israel will achieve total victory in defeating the Hamas terror militia in Gaza, and ridding Israel and the Palestinian areas of its destructive, demonic influence. Pray that Hamas will never be able to carry out atrocities against Israel or repress and indoctrinate the Palestinian people again. Pray that Israeli leaders will have the strength and determination to finish the job and not have victory snatched from their hands as happened in previous conflicts.

Psalm 98:1; Luke 11:21-22

2. Thank the Lord that some Israeli hostages have made it home to Israel. Please pray for the health and freedom of the remaining 136 hostages still held in Gaza. Pray that they would come home either through rescue by the IDF or in a hostage release deal that Israel can afford to make.

3. Pray for a divine hedge of protection to surround all Israeli soldiers involved in combat to defend their nation, that the Lord would shield them from harm at all times!

Psalm 91

4. Pray that the people of Israel will continue to stay united in seeing this war through to victory, as well as in the peace to come afterwards. Pray that Israelis will trust in the Lord above all else to bring them victory and peace.

Job 25:2; Psalm 147:12-14; Romans 14:19

5. Pray that the Palestinian people will abandon their hatred of Israel and teach their children to live in peace with the Jewish nation and people. Pray that they will turn away from their cursing of Israel, which only brings a curse upon them. Pray that the Palestinian Authority would completely drop its international campaign to delegitimise, demonise and dismantle Israel and would finally recognise and accept Israel's right to exist as the nation-state of the Jewish people. Pray that the entire Middle East will choose to live in peace with Israel as a Jewish and democratic state and that upright leaders will arise in each country to make peace with Israel.

Genesis 12:3

6. Pray for the ICEJ staff and other Christian volunteers now helping with war relief efforts in Israel, that they would have all the resources and means they need to effectively comfort and care for needy and displaced Israeli families. Pray for their health and strength during this very busy and trying season.
7. Pray that many more Arabs would come forward to help Israel in its battle against Hamas, to provide information on the location of the Israeli hostages, and to help bring peace to the region.

- 8.** Pray for revival and consecration among the young Jewish and Arab believers in the region, that they would have much courage and faith as they interact with their peers in the Land. Pray that they would learn and desire to be ministers of peace and reconciliation in this land of conflict. Pray that they would read God's word and yield to the work of the Holy Spirit in their lives every day.

- 9.** Pray that the Arab churches in Israel and around the Middle East will abide in the Lord as never before and will let their light shine, especially by taking a clear moral stand against the evils of Hamas. Pray that they also accept the restoration of Israel as a divine promise in Scripture.

- 10.** Pray that this conflict will bring spiritual renewal in Israel and the region, in the name of Yeshua.

Thank you for joining with us in prayer!
