Prayer for Israel

1. Pray that the international community would have more understanding and sympathy for the shock and pain Israel suffered last October 7, and for their determined response ever since to destroy Hamas. Pray that the nations will finally see that Hamas has purely evil intentions towards the Jewish state and people, as they demonstrated so ruthlessly and clearly when they launched the current war last October. Pray that the world powers would finally begin to pressure Hamas to release the Israelis hostages still held in Gaza. Pray that the nations will realize that the Palestinian people themselves needed to be freed from the dark grip of Hamas.

2. Pray that Israel will achieve complete victory over the Iranian-backed terror militias Hamas, Islamic Jihad and Hizbullah. Pray that these terror militias will be uprooted from all around Israel. Pray that Hamas and Hizbullah will never be able to carry out more atrocities against Israel like on October 7.

3. Pray for the swift and safe return of all the Israeli hostages still held by Hamas in Gaza. Pray that they and their loved ones would be in good health and not lose hope for their return home soon.

Exodus 6:6; 8:2b

4. Pray for strength, courage and divine protection around all Israeli soldiers as they defend their nation, that the Lord would be a shield about them at all times!

Psalms 3:3

5. Pray for continuing unity among the Israeli people and their government, to finish off Hamas and return all the hostages safely. Pray that Israelis will trust in the Lord above all else to bring them victory and peace.

Job 25:2; Psalm 147:12-14; Romans 14:19

6. Pray that the Palestinian people will turn from their hatred and rejection of Israel and finally choose to live in peace with the Jewish state and people. Pray that they would teach their children the way of peace, rather than jihad and martyrdom. Pray that they will turn away from their cursing of Israel, which only brings a curse upon them (Genesis 12:3). Pray that the surrounding Arab peoples and nations would fully recognize the rightful place of the Jews as original inhabitants of the region.

7. Pray for the ICEJ staff and other Christians volunteering to help with the war relief efforts in Israel, that they would have all the resources and means necessary to meet the needs and care for the displaced Israeli families. Pray for their health and strength during this very busy and trying season.

8. Pray for revival among the young Jewish and Arab believers in Israel, that they would have much courage and faith to impact their generation for the Lord. Pray that they would hunger for God's Word and thirst for the presence of the Holy Spirit in their lives every day.

Matthew 5:6

9. Pray that many more Arabs would come forward to help Israel in its battle against Hamas, to provide information on the location of the Israeli hostages, and to help bring peace to the region.
10. Pray that the Arab churches in Israel and around the Middle East will let their light shine, especially by taking a clear moral stand against the evils of Hamas. Pray that they also accept the modern-day restoration of Israel as the handiwork of God in keeping with His promises in the Bible.

Thank you for joining with us in prayer!
