Prayer for Israel

1. Pray for wisdom and resolve for Israel's leaders in leading the nation to victory over its enemies and to a better, more peaceful place for the nation and people of Israel. Pray for unity, patience and grace among the diverse peoples of the nation of Israel. Pray that Israelis will trust God above all else to bring victory and peace. Pray that the people of Israel will be drawn closer to the Lord and to their redemptive destiny in Him even through this conflict.

Job 25:2; Psalm 147:12-14

2. Pray for the safe return of all 120+ Israelis still held hostage by Hamas in Gaza. Pray that they and their loved ones would be in good health and not lose hope for their return home soon. Pray that world leaders will finally pressure Hamas, as well as its sponsors in Iran and Qatar, to release the Israeli hostages.

3. Pray for strength, courage and a divine hedge of protection around all Israeli soldiers as they defend their nation, that the Lord would be a shield about them at all times!

Genesis 15:1; Psalm 3:3

4. Thank the Lord that Israeli forces are slowly but surely prevailing against Hamas and other terror militias on the battlefield in Gaza. Pray that the IDF would continue to have success in defeating Hamas and weakening its control over the people of Gaza. Pray for more moderate leaders to emerge in Gaza capable of taking control and willing to live at peace with Israel.

5. Pray that world leaders would have more moral clarity regarding the evil of Hamas and other Islamist terror militias attacking Israel, and more appreciation for Israel's extraordinary steps to fight a just war and preserve innocent lives on both sides. Thank the Lord that the recent elections for the European Parliament and new appointments of EU officials have brought in several key leaders who are more friendly to Israel. Pray that the upcoming national elections in France, the UK, the United States, and other countries would bring in governments more favourable to Israel.

6. Pray that people around the globe would have more sympathy for the shock and pain Israelis have suffered over the past eight months, and more understanding for their determined response to destroy Hamas. And pray that people worldwide would come to realise and acknowledge the great efforts Israel is undertaking to save civilian lives on both sides of this conflict.

- 7.** Pray Israel will vanquish the threat posed by the Iranian-backed terror militia Hizbullah in Lebanon. Pray that Hizbullah will never be able to use its full arsenal of over 300,000 missiles and rockets against Israel. Pray that Hizbullah will never be able to carry out atrocities against Israel like Hamas did on October 7. And pray that Hizbullah will lose its grip on power in Lebanon.

- 8.** Pray that the Palestinians and other Arab and Muslim peoples in the region will turn from their hatred and rejection of Israel and finally choose to live in peace with the Jewish state and people. Pray that they would teach their children the way of peace, rather than jihad and martyrdom. Pray that they will turn away from their cursing of Israel, which only brings a curse upon them. Pray they will turn to the one true, living God – the God of the Bible – and to His son, Jesus.

Genesis 12:3
