### Prayer for Israel

#### 1. THE NORTHERN FRONT

Thank the Lord that the ceasefire in northern Israel continues to hold. Still, the IDF keeps finding and destroying more Hezbollah weapons, tunnels and outposts in southern Lebanon. The Lebanese army also still needs to take full control over all southern Lebanon and force the Hezbollah terror militia to withdraw above the Litani river. Pray that Hezbollah will not only withdraw but that it will be disarmed. Pray that the Christian and Sunni Arab leaders in Lebanon will be able to sideline Hezbollah in the country's decision-making process. Pray that the new Lebanese government also will pursue normalization of relations with Israel. Pray that the US,

France and Sunni Arab states will work together to disband Hezbollah and free Lebanon from Iran's destructive influence. Also pray the new regime in Syria will seek peace with Israel.

## 2. THE SOUTHERN FRONT

Thank the Lord that most of the Israeli hostages have been freed from cruel captivity in Gaza. But 59 hostages remain, including 24 presumed alive and 35 bodies. And while Hamas is seriously weakened, it is still refusing to release any more hostages and trying to reassert control over Gaza. This has prompted Israel to resume the fighting in Gaza. Thus, we need to pray that Israel will quickly prevail in this latest battle and drive Hamas from Gaza. We also must keep praying that every last Israeli hostage will be returned, whether alive or deceased, so their families can reunite and find closure, and the whole nation can begin to heal from the wounds of October 7. Pray that Israeli leaders will make the right decisions over any further ceasefires, and who will rule Gaza going forward. Pray that any Palestinians in Gaza who want to voluntarily leave for another country will be allowed to do so. Pray that the surrounding Arab leaders will join Israel and the US in rejecting any future for Hamas in Gaza. Also pray for strong support for Israel from the Trump administration. And pray that any Palestinian prisoners released so far will not be able to endanger Israel.

## 3. THE TRUMP ADMINISTRATION

Please pray that Israel and the Trump administration will coalesce around a common agenda to strengthen Israel's position in the region and achieve more normalization agreements with other Arab and Islamic countries, such as Saudi Arabia and Indonesia. Pray that Israel and the US will be able to prevent Iran from ever developing nuclear weapons to threaten Israel. Pray that Iran will not be able to harm Israel or Jews abroad. Pray that the radical Islamic regime in Tehran will be driven from power by its own people.

## 4. THE HOME FRONT

Please pray that Israel will be able to secure a resounding victory over its enemies, recover and rebuild quickly, and actively pursue peace with its other Arab neighbours. Pray that Israel will finally resolve its many internal differences over judicial reforms, the drafting of yeshiva students, and other long-standing political divides in the nation. Pray that more Israelis will be drawn to faith in God and His Messiah amid the current challenges. Pray for a fresh move of the Holy Spirit in Israel.
