Prayer for Israel

1. THE NORTHERN FRONT

The ceasefire in northern Israel has held so far, although it had to be extended by several weeks for the IDF to find and destroy more Hezbollah weapons, tunnels and outposts in southern Lebanon. The extension was needed because the Lebanese army had not yet taken control of all of southern Lebanon and the Hezbollah terror militia has not withdrawn above the Litani river, as required. Pray that Hezbollah will be forced to not only withdraw from the border area, but that it also would be disarmed. Pray that the Christian and Sunni Arab leaders in Lebanon will be able to sideline Hizballah in the country's decision-making process. Pray that the new Lebanese government also will pursue normalization of relations with Israel. Pray that

the US, France and Sunni Arab states will work together to disband Hezbollah and free Lebanon from Iran's destructive influence. Also pray that the new leadership in Syria will decide to live at peace with Israel.

2. THE SOUTHERN FRONT

We are grateful to the Lord that more Israeli hostages held by Hamas and Islamic Jihad are finally being freed from cruel captivity in Gaza, while the bodies of those killed are being returned to their families. The Hamas terror militia also is seriously weakened, but it is trying to make a show of strength by coming out of hiding in full uniform and brandishing arms. They also have put on sickening displays in the hostage release ceremonies that have greatly angered the Israeli public, and rightly so. With the latest releases, we are now in a time for negotiating phase two of the ceasefire and hostage release deal. We need to keep praying that every last Israeli hostage will be returned, whether alive or deceased, so that their families can reunite and find closure, and the whole nation can begin to heal from the deep wounds of October 7. Also pray that Israeli leaders will make the right decisions in the talks over phase two of the agreement, including on whether they need to resume the fighting to finally drive Hamas completely from Gaza. Pray that the surrounding Arab leaders will be sickened by the evil antics of Hamas and demand they leave Gaza before the rebuilding can start. Pray that the Palestinian Authority will not be allowed to rule Gaza as well. Pray for strong support for Israel from the Trump administration. Pray that the Palestinian prisoners being released in the deal will not be able to endanger Israel. Pray that any Palestinians in Gaza who want to voluntarily leave for another country will be allowed to do so. Pray that the IDF will be able to maintain a security presence inside Gaza to protect the Israeli people from any more attacks from Gaza.

3. THE TRUMP ADMINISTRATION

Please pray that Israel and the new Trump administration will coalesce around a common agenda to strengthen Israel's position in the region and achieve more normalization agreements with other Arab and Islamic countries, such as Saudi Arabia and Indonesia. Pray that Israel and the US will be able to stop Iran in its tracks from developing nuclear weapons to threaten Israel. Pray that Iran will not be able to harm Israel or Jews abroad. Pray that the radical Islamic regime in Tehran will be driven from power by its own people.

4. THE HOME FRONT

Please pray that Israel will be able to secure a resounding victory over its enemies, recover and rebuild quickly, and actively pursue peace with its other Arab neighbours. Pray that more Israelis will be drawn to faith in God and His Messiah amid the current challenges. Pray for a fresh move of the Holy Spirit in Israel.

Thank you for joining with us in prayer!
